Spring Forward partnered with World Relief to offer family literacy for immigrant and refugee families at Church of Peace in Rock Island. Spring Forward managed the onsite program for students’ pre-K children.

Spring Forward at Home Together

(April – May)

With school buildings closed due to the pandemic, Spring Forward at Home Together was created. The virtual program included daily on-line yoga classes, links to activities and a steady stream of encouraging messages for families.

Remote Summer Camp

(June – July)

Spring Forward has always worked to combat the “summer slide” by offering enrichment camps annually to more than 400 students in the Rock Island-Milan School District. This year we were unable to meet in-person for camp due to the COVID-19 pandemic, but offered a remote camp. The camp was highlighted by weekly Summer Success Kits, which were distributed to families. The Kits included 2-3 new, grade level books, activities provided by Spring Forward teachers and community partners.

READ MORE BOOKS

Bike Patrol Spring Forward staff and volunteers bicycled through neighborhoods around elementary schools in June and July delivering books and making connections with families. Volunteers riding along included teachers, police officers, non-profit partners, and other friends.
